PROFESSIONAL SUMMARY

Results-driven IT Support Specialist and System Administrator with 10+ years of hands-on experience supporting end-users, managing Microsoft 365 environments, and maintaining enterprise IT infrastructure. Proven ability to troubleshoot hardware and software issues, administer Active Directory and Windows Server, and deploy cybersecurity solutions. Currently based in Kokkola, Finland — enrolled in TE-toimisto Integration Programme (Finnish A2+) and gaining local Finnish IT work experience. Actively seeking IT Support, Helpdesk, or System Administrator roles in Finland.

WORK EXPERIENCE

IT Services Trainee (Harjoittelu)

JNT Oy — Kokkola, Finland | April 13, 2026 – April 24, 2026
